

MILDEW STAIN REMOVER

DESCRIPTION

Mildew Stain Remover may be used on: bathroom tiles, shower curtains, shower, toilet, and tub grout, showers and tub mats, boat covers, camper canopies, convertible tops, vinyl awnings, under eaves and trim, refrigerator gaskets, outside furniture, brick, and concrete.

DIRECTIONS

Simply apply this concentrated bleach to clean mildew stains from surfaces. In bathrooms and close places just apply on mildew stains. Let **Mildew Stain Remover** dry on surface. Rinse area thoroughly with plenty of clear water, this will help to remove any odors.

CAUTION: **Mildew Stain Remover** contains bleach. Do not get on clothing. Do not use on surfaces that will come into contact with food. Do not use or get on cotton or wool.
